NCT donates \$2,000 to Adopt a Room at The Center for Women and Families

National City Tower gave back to the community this holiday season by supporting women and children surviving domestic violence.

On behalf of our tenants, we are providing residents at The Center for Women and Families with those everyday items that so many of us take for granted - like towels, sheets, pillows and other essential daily living items. Our donation allowed us to adopt a one-bedroom with double beds for one year at the downtown Louisville location. The Center will display a plaque naming the room in honor of the tenants of National City Tower.

For more information on The Center for Women and Families, please visit their website at www.thecenteronline.org

The Downtown Lowdown

The Phantom of the Opera Kentucky Center for the Performing Arts January 9th - 27th

The longest running show in Broadway history, Andrew Lloyd Webber's THE PHANTOM OF THE OPERA directed by Harold Prince traces the tragic love story of a beautiful opera singer and a young composer shamed by his physical appearance into a shadowy existence beneath the majestic Paris Opera House. Adapted from Gaston Leroux's classic novel of mystery and suspense, this award-winning musical has woven its magical spell over standing room audiences in more than 100 cities worldwide.

Lobster Feast 2008 Actors Theater of Louisville February 2, 2008

From the internationally acclaimed Humana Festival of New American Plays to arts education workshops in our schools, Actors Theatre is a cornerstone of Louisville's cultural landscape. Lobster Feast is Actors Theatre's premiere fundraising event. The money raised makes it possible for Actors to produce outstanding live theatre and ensures that ticket prices remain affordable. Not your typical black-tie event, this casual costume event is a chance for you to come in character. So get out your polyester, dust off your records, practice the Hustle and join the Actors Theater of Louisville at Lobster Feast 2008.

A New Look for a New Year!

As most of you have already noticed, our lobby renovation project is nearing completion. In addition to the newly installed black terrazzo floor, we now have a sleek, glass console lobby security desk with a top surface that is illuminated from below. An electronic touch screen directory will complement the new look and assist in the ease of locating spaces.

We hope you enjoy the Tower's new look and we wish to thank you for your patience as the renovation took place.

NCT January Coat Drive

National City Tower is teaming up with Louisville homeless shelters and we need your help!

Beginning January 14th and continuing through January 18th, we will be accepting new or gently used coat donations. Maybe Santa brought you a new coat and your old one is no longer needed. Maybe in the after-Christmas sales you found a bargain you just couldn't resist. Either way, please bring your donations to the Lobby console, and help keep Louisville warm this winter season! All donations will be distributed to local homeless shelters on behalf of the tenants of National City Tower.

January Health Fair

Looking to change to a healthier lifestyle for 2008? Visit the National City Tower Health Fair on Thursday, January 24th from 11 a.m. to 2 p.m. in the lobby. Vendors include Humana Fitness, who will be performing free blood pressure screenings for any interested participants. For more information concerning the NCT Health Fair in January, contact n.heller@nationalcitytower.com.
