TARC Trolley Route Change

TARC trolleys are a great way to get around downtown and TARC is taking steps to make the service even better! The Main/Market trolley route (route # 77) has changed to improve on-time performance. The route will now circulate only on Main and Market Streets. The new route will also turn onto Campbell and travel from Market to Main Street, shortening the circulation by one block. However, these changes will not affect the First Friday Trolley Hop.

In addition to the route changes, service will be added in the morning and evening during peak travel times; between 6:30 a.m. and 8:30 a.m. and 4:00 p.m. to 6:30 p.m.
